Roadshows and Ballots

The MEC has approved the TA to be sent to you for membership ratification. Additionally they have waived the normal 60 day requirement for Section 6 negotiations in favor of a 30 day ratification period.

Balloting will open on June 24 at 1000 EDST and close on July 10 at 1400 EDST. To vote

you must have your ALPA number and password in order to log on to dal.alpa.org where we will display a banner to connect you with your ballot.

You will be receiving a significant amount of information concerning the proposed changes in this TA. To make it easy for you to locate all you need to make your informed decision, we have arranged all published information having to do with these negotiations under the "Negotiations Contract 2015" banner at dal.alpa.org. At this site we will also publish some mini slide shows explaining various facets of the proposed agreement.

Additionally at dal.alpa.org we will display a rotating banner marked FAQs under which you will find a bank of frequently asked questions concerning this TA. The FAQs will be easily printable and will be updated on a daily basis.

Your representatives will also be in the lounges to answer your questions face to face. The Delta MEC Pilot to Pilot Committee will post volunteers to all lounges to answer your questions concerning the mechanics of any portion of the tentative agreement. They will be there to assist you to understand the TA.

Finally, your Negotiating Committee will conduct road shows at every single pilot base, and in select cities around the system. The road show schedule is listed below. If you have the chance to attend a road show, please do so. These road shows are an opportunity for you to speak with your negotiators, and to see the negotiations through their eyes. Additionally we'll have elected MEC Officers and subject matter experts, as well as professional negotiators at every road show.

We will continue to update you throughout the MEMRAT process. Your vote is precious, and it belongs to you alone. On that basis, you owe it to yourself to garner as much information as you can in fashioning your vote, and determining the future of this union.
