## **SEA and MEM LEC Election Update**

### **SEA Election Results Are In**

Of the 244 eligible voters in SEA, 16.8% voted. Only one race was contested, the Captain race, which is partly to blame for the low voter turnout.

The New LEC members elect are James Stuart III, Captain (27 of 41 votes, 65.85%), Jeffrey J. "Jeff" Panioto, FO (39 of 39 votes), and Arthur H. "Art" Aaron, Sec/Treasurer (38 of 38 votes). No candidate chose to respond to the ALPAWatch Election Questionnaire.

Any pilot that is willing to offer their precious time and energy to help our union improve the careers of NWA pilots deserves the thanks of all of us. ALPAWatch congratulates these new LEC Representatives. These are difficult times. They have their work cut out for them.

### **MEM Election Closes DEC 10<sup>th</sup>. If you are MEM based Please Vote!**

All three candidates are running un-opposed. However there is always the possibility of a write-in candidate. One such write-in candidate has emerged in the FO race, others are possible. You need to vote even if you think it does not matter. This is a small base. Your vote could make the difference.

Three candidates have answered the ALPAWatch Questionnaire. You can see those answers on the ALPAWatch website, LEC Candidates Page. You should read their answers to the Questionnaire now and vote before the deadline.
