## **Merger Update Special MEC Meeting Feb. 21-22**

You no longer need to Call and Email your Elected Representatives and MEC Officers as was requested in the Feb. 18<sup>th</sup> ALPAWatch Newsletter. With a Special MEC meeting taking place today, the dispute over the involvement of the MEC is being addressed by that meeting.

Everyone that took the time to call or email their union leaders deserves the thanks of all NWA Pilots. We are encouraged that a Special MEC Meeting is taking place.

We are watching those meetings intently. Expect an ALPAWatch Newsletter about those meetings if needed.

We recognize that mergers are a stressful situation. Those situations generate many different interpretations of the same set of circumstances. As this process goes forward, you are likely to hear many conflicting reports.

ALPAWatch's role is to bring you an independent account. ALPAWatch is an organization that is truly the pilot's advocate, an organization that watches out for the best interest of ALL NWA pilots. We have no political baggage. We have no hidden agenda. We are owing to no one and therefore are in the position to alert you to troubling situations. It is up to you to use your good judgment and come to your own conclusions.

Thank you again for participating in ALPAWatch. With the participation of pilots such as you, ALPAWatch will be successful in obtaining the Union Leadership that the Pilot Group deserves, and in doing so regain our fair compensation, our quality of life, our future, and our dignity.
