In this Issue...

**If you are a Council 1 MSP Pilot
Don't Forget to Vote**

The Deadline to Vote is November 10th

If you have already voted, good for you. If not, do your research and cast an informed vote. ALPAWatch has aided the process by posting as much information about the candidates as possible on 2008 Candidates Page. You can change your vote until the Nov. 10th deadline.

Voter turn out in these elections is often very low. Most pilots don't know the candidates personally, so they don't vote. ALPAWatch is trying to correct that by providing you all the information you need to make an informed vote. Not only do we put the ALPAWatch Questionnaire (asking the Candidate the tough questions of the day) in front of all the Candidates, we have also made an effort to include all of their campaign mailings on the 2008 Candidates Page. Unfortunately, some Candidates have chosen not to participate, but most have.

If you are dissatisfied with the performance of ALPA, this is your chance to change that. Don't waste that chance. Take our word for it, these elections do matter.

In this election, you have more information to base your vote on than ever before. Study the Candidates carefully and VOTE!

Thank you again for participating in ALPAWatch. With the participation of pilots such as you, ALPAWatch will be successful in obtaining the Union Leadership that the Pilot Group deserves, and in doing so regain our fair compensation, our quality of life, our future, and our dignity.
